## Project Description

This Jacksonville Fire and Rescue Department – Fire Station No. 12 project through the City’s continuing CEI Contract is being constructed on Atlantic Blvd. and Linden Ave. This project consists of a full remodel and new additions to the existing station, totaling 4,060 SF of space for the upgraded facility with one new fire engine bay, a bunk room, a kitchen and dining room, a dispatch and communications room, a locker room, and officers’ quarters. The project includes split face CMU block, wood joists with TPO roofing, electrical, HVAC, plumbing, drainage, stormwater pond, retaining wall, fencing, and IT communications.
