

REPLACEMENT OF LOEST BRIDGE

CONTRACT NO.:
70147-20

PROJECT DESCRIPTION

This \$1.5M project through the City's continuing CEI contract which consisted of the removal and replacement of a deficient timber bridge over Long Branch Creek with a 5'x10' box culvert system consisting of 3 barrels, enhanced scour protection, and a sheet pile wall and concrete cap for roadway stabilization purposes. This work included removing the existing bridge that was previously damaged during a hurricane and facilitating the only access road to a residential area.
