# DAILY'S PLACE AMPHITHEATER

CONTRACT NO.:  
9894-138

## PROJECT DESCRIPTION

This \$90M renovation and construction project through the City's continuing CEI contract of the Jacksonville Jaguar Football facility. The project constructed a new 5,500-person capacity amphitheater and a 94,000 SF covered flex field, and support buildings. The project consisted of auger cast piles supporting a complex steel truss structure and polytetrafluoroethylene fabric spanning 430ft will be suspended from the complex steel structure.
