

FIVE POINTS IMPROVEMENT

CONTRACT NO.:
9894-138

PROJECT DESCRIPTION

This \$500K project under the City's CEI contract involved the reconstruction of Lomax Street as a one-way street between Park and Oak Streets, and the realignment of the Five Points Intersection. The Lomax Street work included removing and rebuilding roadways, parking, and sidewalks, along with installing a new JEA water main and services. The Five Points Intersection was redesigned to enhance traffic flow and pedestrian safety. Additional work included new hardscaping, landscaping, decorative street lighting, drainage, concrete and asphalt removal, signalization, utility adjustments, and the addition of benches, bike racks, and pedestrian crosswalks.
