SR 23 NEW ROAD CONSTRUCTION (N. OF SR 16 TO N OF 21)

FIN NO.: 422938-6-52-01

PROJECT DESCRIPTION

This \$229M new multi-lane, a limited access toll road from just north of SR 16 to just north of Blanding Blvd. (SR 21). The project will consist of approximately 10.5 miles of newly constructed roadway, a new drainage system, stormwater ponds, traffic signals, lighting, highway signing, guardrail, box culverts, and 26 new bridges (including two over Black Creek). The project further consists of MSE walls, noise walls, and ITS trunk line spanning the length of the new roadway and three new toll facilities featuring overhead gantries with electric tolling and other incidental construction.
