

FIRE STATION 64

CONTRACT NO.:
9182-03

PROJECT DESCRIPTION

This \$6M Jacksonville Fire and Rescue Department – Fire Station No. 64 project through the City’s continuing CEI Contract. This project was constructed on Harts Rd., just off Dunn Ave. for the creation of a new 9,700 SF facility that consisted of 3 fire engine bays, a bunk room that sleeps 10 firefighters, a kitchen and dining room, a dispatch and communications room, IT communication system, a locker room, and fitness room. The project included split face CMU block, wood truss roofing with asphalt shingles, electrical, utility, HVAC, plumbing, drainage, fencing, and other incidental construction.
