

**PONTE VEDRA
BLVD. 6" WATER
MAIN
REPLACEMENT**

CONTRACT NO.:
8004941

PROJECT DESCRIPTION

This \$3.3M project through the JEA's continuing CEI contract which consisted of 7,800 LF of a new 12" PVC water main along Ponte Vedra Blvd. from Corona Rd. to Pablo Rd. The project included abandonment of several thousand linear feet of various sizes of water main, fire hydrants, installation of service connections, pressure testing and flushing of new lines, coordination for outages for final water main connection, and full roadway reconstruction of Ponte Vedra Blvd. This project required extensive MOT with flagging operations, lane closures, detour routes, and coordination with St. Johns County and local businesses/residents.
