

FIRE STATION 17

CONTRACT NO.:
9894-397

PROJECT DESCRIPTION

This \$3.1M Jacksonville Fire and Rescue Department – Fire Station No. 17 project through the City's continuing CEI Contract. This project was constructed on Huron St. and consisted of a full remodel and new additions to the existing station, totaling 5,408 SF of space for the upgraded facility with one new fire engine bay, a bunk room, kitchen and dining room, bunker gear room, locker room, and officers' quarters. The project included split face CMU block, wood joists with TPO and standing seam metal roofing, electrical, HVAC, plumbing, drainage, stormwater pond with underdrain system, fencing, and IT communications.
