

INDEPENDENT DR. REALIGNMENT

CONTRACT NO.:
71564-22

PROJECT DESCRIPTION

This \$2.3M project which consisted of extending Independent Dr. due west from the roundabout at Laura St. to intersect with Hogan St. The design of this modification included roadway design, traffic analysis, lighting, landscape, hardscape, geotechnical, and survey. Geotechnical effort included three roadway borings at 10ft depth for establishment of existing pavement conditions and development of pavement design for the re-aligned roadway. The project included MOT, erosion control, site preparation, demolition, and post design services.
