# NOCATEE SOUTH 20" RECLAIMED WATER MAIN IMPROVEMENT

CONTRACT NO.:  
8007596

## PROJECT DESCRIPTION

This JEA Nocatee 20" Reclaimed Water Main (RWM) Improvements Project is located along Nocatee Pkwy. and Crosswater Pkwy. and connects to the JEA Nocatee North RWM Pump Station. This project includes the installation of 3,000 LF of 20" CLDI RWM Pipe and 1,250 LF of 24" HDPE RWM Pipe by Horizontal Directional Drill (HDD). This project also includes the installation of 75 LF of 36" Steel Casing by Jack and Bore under Crosswater Pkwy. The project also includes isolated roadway and shared use path reconstruction, MOT, and other associated work.
