

FIRE STATION 12

CONTRACT NO.:
9894-397

PROJECT DESCRIPTION

This \$3.3M Jacksonville Fire and Rescue Department – Fire Station No. 12 project through the City's continuing CEI Contract. This project was constructed on Atlantic Blvd. and Linden Ave. and consisted of a full remodel and new additions to the existing station, totaling 4,060 SF of space for the upgraded facility with one new fire engine bay, a bunk room, kitchen and dining room, dispatch and communications room, locker room, and officers' quarters. The project included split face CMU block, wood joists with TPO roofing, electrical, HVAC, plumbing, drainage, stormwater pond, retaining wall, fencing, and IT communications.
