ADAMS & FORSYTH TWO-WAY CONVERSION

CONTRACT NO.:
70559-23

PROJECT DESCRIPTION

This project is through the City’s CEI Contract for Services for 8 Roadway and Drainage Projects. This project consists of converting the existing roadway infrastructure on Forsyth and Adams Streets from one-way pairs to two-way roadways to create a more pedestrian-friendly, economically viable, and better-connected downtown street network. The project includes widening the sidewalks and reducing travel lane widths to slow down driving speeds.
